## Everything you need, except for the loose leaf.

The Zippie Kizzmit is a stylish zippered case that features a smell-proof "stash pocket," accessories pouch and lockable zipper. Inside, super strong magnets keep your favorite Kizzmos in place: Pokie, Jammie, Weezie and Snippie.

### Pokie

Pokie is specialized for clearing bowls, picking at grinders, and scraping out vaporizers. Pokie's heat-resistant stainless steel can also serve extracts.

### Jammie

Perfectly sized and rounded for common spaces such as dug outs, vaporizers and bowls, Jammie slides loose leaf without losing a crumb. One scoop equates to about one serving.

### Snippie

Snippie cuts up loose leaf, wraps, papers and filters. Carefully crafted for the comfortable hand-hold and long nose that fits well into jars.

### Weezie

Weezie features reverse tension to handle roaches with precision and style.

### Zippie

Kizzle Kit's custom Kizzmo (tool) case Zippie features lockable zippers, accessories pouch, smell-proof stash pocket and rare earth magnets.
